

Truth & Light Preconference

Counseling Grief

Giving Hope to the Grieving

WELCOME

TIMBERLAKE BIBLICAL COUNSELING CONFERENCE

As the Senior Pastor and the Executive Director of Timberlake Biblical Counseling and Training Center, I want to welcome you to the Truth & Light Conference 2024! This is our seventh annual conference and we are thrilled to have you as our special guest at Timberlake Baptist Church.

The Truth & Light conference is part of the three-part ministry plan of our church: The Expositor's Seminary, Timberlake Christian Schools, and The Timberlake Biblical Counseling & Training Center. This specific conference is committed to providing valuable Bible teaching that is critical to the soul-care of God's people.

The theme of the conference this year is "**Biblical Hope In The Midst of Grief**". We have brought in conference speakers who will equip you with the biblical resources you will need to find hope in times of grief and to heal biblically using the comfort and wisdom of the Word of God. Dr. Howard Eyrich and Pastor Smedly Yates are well-known and trusted leaders, teachers, and biblical counselors and I am confident that they will bring biblical clarity to this important topic and help you not only deal with grief and loss in your own life but also counsel others who are grieving.

I encourage you to take the time to visit the resource table of books and materials, as well as the TBC&TC table. Both tables will provide many resource options that may be helpful to you.

I want to thank each of you for attending the conference. We pray that you will be blessed by the warm fellowship and the clear teaching that you will hear at this conference. May you leave here encouraged by the hope that we find in the Word of God and armed with biblical principles to help you instruct your own heart in times of grief as well as encourage others.

For His glory,

Dr. Bryan Ferrell
